

High Frequency Words - Term 1 (Part 1)

These are the first 25 high-frequency words we have learned this year. These words are frequently used in text and every 2nd grader should know how to read and spell each word. Instead of regular spelling, we will be reviewing this list of words this week. Please practice spelling and reading them at home to prepare for our comprehensive test on these words on Friday. The words are posted on spellingcity.com this week.
